II FI INVITE ATTENTION to some of the most or raordinary cures by my PECTORAL SYRUP.

SYRUP

PECTORAL

They are at home, and any one who has doubts can is uire of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. KEYSER'S PECTORAL SYRUP. PITTSSUROH, Jan. 11, 1860.

DR. Keyser:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much I then called and got a doilar bottle, which cured her entirely, and ahe has now no trace of the former disease, except weakness. I would also state that I used the medicine mysulf to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Mid. WILSON,
Alderman Fifth Ward.

PITTESURGE, Nov. 18, 1858.

DR. KRYSER:—Although not an advocate of Patent Modicines, in general, it affords me pleasure indeacribable to recommend your Pectoral Byrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above flyrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to care the above, nor abould any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JON RS.

COL. PRATT AND DR KEYSER'S PROTORAL SYRUP.—Da. Extrasa—Dear Sir. Excuse the delay of my acknowledging the excellence of your Fectoral Cough. Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the noise own of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and thay will be proud to say, "It is no quack medicine." I would not suffer another such as attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing actricilent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. P.RATT.

BEAD THE TRUTH.—Dr. Kresen: I have a daughter who has taken several medicines for a use cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTOAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

PITTERCROIT, December, 31, 1653.
A GREAT CURE BY DK, KEYSER'S PECTORAL BYRUP.—I live in Peebles township, Allegheny county.
I had a coughing and spitting, which commenced acout
the 4th of February last, and continued eight months. I
employed the best physicians in the country, and my employed the cost physicians in the Colober. At cough continued until early in October. At that time I was advised to try your PECTORAL COUGH SYMUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill with a tast cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the behef that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his lite.

DR. KEYSER'S PECTORAL SYRUP IN BLAIRS-VILLE.—Please send me another supply of your valuable 'Pectoral Syrup." Almost everybody around us has the coid and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles and week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Biairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

J. S. WATTERSON & SONS.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PROTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed.

"BTOP THATCOUGHING."—"How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, muith, ne have tried the "Pectoral," in a more success.

We coughed steadily and laboriously for one whole week, in hopes of thring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength potency and distressibility by the operation. In this stage of the siege, we coughed our way to Reyser's, 140 Wood ht.—procured a fifty cant bottle of the "Pectoral;" took it made in the stage of the field, the comp having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Reyser's famous "Cough Pectoral."—Drounsettle Cipper, Dec. 14, 1859.

Pror. Woon: Thee wiit please accept a lice to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for days, he then my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two doilar britle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though shert, it is also coming in all over my head.
